## LEAF OF LIFE

"How beautiful upon the mountains are the feet of him who brings good news..."  
Isaiah 52:7

### ATTENTION: ALL LEARNING TREE STUDENTS Performing this Sabbath at Chatsworth Adventist Church

**WHEN:** Saturday, April 22nd for Church Service

**WHERE:** Chatsworth Adventist Church, 1115 GA-52, Chatsworth, GA 30705

**WHO:** All Learning Tree students grades Pk-8th Grade will be performing.

**WHAT TO WEAR:** Church Attire with any combo of black and/or white.

#### WHEN TO ARRIVE AND WHERE TO MEET:

- Sabbath School begins at 10:00 and all are welcome to attend.
- Church begins at 11:15. Please be at the church no later than 11:00.
- At 11:00, all students will meet with Mrs. Knowlton in the sanctuary to warm-up.
- If you need transportation, Mrs. Brown will be driving the school van and will be leaving from the Learning Tree School at 10:15AM.

## Leaflet Email Subscription

See the Leaflet in full color online at [LearningTreeSchool.org](http://LearningTreeSchool.org)

OR, better yet, subscribe to receive it by email each week by emailing us a note asking us to put you on the Leaflet Email List.  
[LearningTreeElementary@gmail.com](mailto:LearningTreeElementary@gmail.com)

## HOT LUNCH

- April 25 — Burgers  
April 26 — Haystacks  
April 28 — Pizza

## GOOD NEWS YEAR 'ROUND by Twila Brown, Principal

Who doesn't love good news?! Especially when it seems all we are surrounded with is bad news! What I love about The Resurrection weekend is that it can be celebrated all year round! I still remember a story about a teacher who had her students bring show & tell for Easter. One little boy brought a plastic egg. He proudly opened it and showed that it was empty. All the students laughed at the empty egg until the teacher asked him to tell about his egg. The little boy excitedly explained, "It's like the tomb. It's empty!" Now THAT is good news, friends!

## Announcements

**5th-8th History Field Trip** is Monday, April 24. Students may bring a sack lunch or money for Taco Bell where we will be stopping on our way back from the field trip.

**Learning Tree Elementary is looking for an enthusiastic and caring Pre-K teacher.** We have some of the sweetest students south of the TN border! If you know of anyone who would like to join our fun and progressive teaching team, please have them contact Principal Twila Brown at [509-540-0747](mailto:509-540-0747) or [tbrown@gccsda.com](mailto:tbrown@gccsda.com). To qualify, candidates must be a Seventh-day Adventist and must have a degree in Early Childhood or Elementary Education. This is currently a local hire position that has much potential to transition into a full-salaried conference position.

**Thank you for spreading the word** about the quality Christian education here at Learning Tree. **Please continue to share the school info cards** with friends and family who are interested in attending our school. With registration underway, God has already given us ten new students for next year! All grades have room for a few more—from Pre-K (must be 4 yrs. old by Sept. 1, 2017) to 8th grade. Now is the time to send kids to a school where we learn to love God & others!

## PFE Volunteer Coordinator Needed

The Partnering For Eternity program has been a blessing for so many of our families and older people in our community. For PFE to continue to be a blessing, we need a volunteer coordinator. It only takes about an hour a week, finding seniors who would enjoy being visited by students, making sure students are paired well with a senior mentor, and checking in with senior mentors to see how things are going. Please contact Mrs. Brown or Mrs. Minerva if you are interested or know of someone who is interested in working with us to coordinate this program.

## Having Fun with Dirt

by Mrs. Teresa Dorn

My class has been studying the different types of soil in science class. They enjoyed touching and examining the soil and discussing their similarities and differences.

## Resurrection Muffins

by Mrs. Brenda Hagan

To remember the story of Jesus' death and resurrection, students made special rolls. Each part of the roll represented a different part of the story. The dough represents the linen cloth wrapped around Jesus; the white marshmallow inside the dough represents Jesus' pure and sinless life; the marshmallow dipped in butter and cinnamon represents the oil and spices used on Jesus' body. The marshmallow melts inside the roll as it bakes and then the empty roll represents the empty tomb when Jesus was resurrected.

## Lightning Soccer News

by Mr. Randy Dorn

Today's article begins with a riddle: What do Ronaldo and Gami have in common besides a love of soccer? The answer: They both scored a hat-trick or 3 goals in their respective games. The Lightning finished the season in a smashing way. Despite a downpour in the second half, they were able to defeat St. Mary's Catholic School by a score of 5 to 2! This was their best offensive showing in the last two seasons. Also scoring goals were Luis, who scored his first goal of the season, and Edwin, who added another goal to the total. Congratulations Lightning! Please wash your wet jerseys and return them as soon as possible for next year's play.

## A PFE Testimony

In this fine "Partnering for Eternity" program, the two fine Blandon children, Lisette and Kenneth, have been coming to our house once a week, for two hours each time, since February 10, 2015. It doesn't seem possible! It's a very enjoyable shared-learning experience. We sing, pray, learn and play together. They have even helped me with tasks around the house and at the International Food Fair! Their mother, Jusaleth, is always with them. She has taught me how to make some delicious Spanish dishes.
